

Laser Rangefinder module

Applications

Noptel

Applications

- Reconnaissance
- Observation and surveillance
- Target acquisition
- Fire control
- Naval systems
- Drones & UAVs
- Vehicle mounted systems
- Handheld devices
- Sights

Noptel Long Distance Laser Rangefinder Modules

Ranging capability 3 — 32 000 m

Measurement rate 0.2—200 Hz

Precision 0.5—2 m

Weight 27—445 g

Eye safe laser class 1
